

# The Highlands at Pleasant Valley

## Resident Information Update Sheet

The information you provide below will be added to or updated in our next Highlands Directory (currently available as hard copy only). This is an electronic form you can fill out on your computer using Adobe Acrobat Reader or the PDF utility included in your browser or printed and filled in by hand. Completed forms can be submitted as hardcopy by mail, or by email as a completed electronic form, a scan of the completed form, or as text. Small changes can be made by phone (see contact information below).

Please sign up or update your contact information on our website, <https://www.hapv-hoa.org/>. The website directory is separate from the Excel database we maintain for the printed directory, but it is used to help keep the Excel database up to date. Note: There are no current plans to have the printed directory available on our website due to limitations of the website's directory as well as privacy concerns.

Email addresses are used for Highlands specific information or alerts and are not shared outside of The Highlands. Such emails may include suspicious person alerts, lost items such as keys, glasses, or pets, and information provided by the county such as road maintenance nearby or in The Highlands, etc. Emails are sent out 2-4 times a month on average.
