

MOMS CLUB® OF VANCOUVER-NW, WA

The MOMS Club® is a non-profit support group. We are unique in that we welcome children to our activities. MOMS Club® supports your decision to stay home with your children and offers you a chance to participate in an abundance of activities. We offer activities and events when stay-at-home moms need them the most, during the day! Whether you are a stay-home mom, have a home based business or work part time, we offer you the chance to socialize with other adults, build lasting friendships with other moms and share in the joy of being able to stay at home to raise your family.

Boundaries: MOMS Club is a great way for moms and their children to meet new friends, participate in play dates and seasonal activities, and become involved in the community around them. We welcome moms and moms-to-be from the Northwest region of Vancouver, Washington, as well as Ridgefield and La Center. To be a member of our local MOMS Club chapter, your residence must be located within the following boundaries: North of NE 78th St and West of NE 72nd Ave in Vancouver, and/or Ridgefield, and/or La Center.
